

Errata

1. In Model 1 of Table 2 on page 20, the coefficient on Legislative_parties has a typographical error in the second decimal.

The coefficient should be -0.28 rather than -0.26 .

2. Table 1 is supposed to show descriptive statistics for government durations that exclude nonpartisan governments. However, the numbers in the table printed in the article include these nonpartisan governments and thus do not reflect the final data used for the duration analyses in Table 2. The correct information for Table 1 is as follows:

Table 1: Descriptive Data on the Duration of the Government Formation Process (excluding all non-artisan governments)
